Appomattox Young Homemakers Met

The Appomattox County Young Homemakers met on January 9 at 7:30 p.m. in the Appomattox County High School Home Economics De partment. The following officers were installed for the current year: President - Jeanette Setliff; Vice President - Elaine Stubblefield; Secretary - Katie Brammer; Treasurer - Jane Smith; Reporter - Joan Reid; Historian - Dianne Shaffer; Chaplain - Cindy Ramsey. Brenda Setliff was installed as area Historian. November 25 at the area Young Homemakers and Young Farmers Conference.

The following monthly programs were adopted for 1975: February - "Making Use of Small Appliances"; March - "Spring Flowering and Gardening"; April - "Spring Sewing Tips" May - "Spring Home" - June - Family picnic; July and August - combined. A dinner meeting followed by a visit to a furniture store; September - "Mental Health" October - trip to Williamsburg; November - "Gifts and Decorations for Christmas"; December - a covered dish supper and a white elephant auction sale.

All young homemakers in the county are invited to join this organization. The meetings are held the second Thursday of each month in the Appomattox County High School Home Economics Department. The next meeting is Mrs. Betty Jo Smith.

Hancock, Reed Gain Top 4 - H Honors

Miss Reed

Hancock

Miss Reed, daughter of Mr. and Mrs. Willie J. Reed, won sectional honors in veterinary science. Her trip to Chicago was sponsored by The Upjohn Company. As state winner in the category, she also received a $50 U.S. Savings Bond from the company.

Through her work in veterinary science, Miss Reed has learned about diseases and parasites in animals, vital signs of normal animals and proper care and nutrition. She won a blue ribbon last year at the State Veterinary Science Demonstration event.

Most important is her eight years in 4-H. Miss Reed said, "see the skills I have learned, the personal development, the warm feeling of helping, and all the people, experiences and challenges along the way." She is now a freshman at Virginia Intermont College.

The program is supervised by the Cooperative Extension Service.

Hancock, son of Mr. and Mrs. James H. Hancock Jr. of Campbell County, received honors for his 4-H bicycle program efforts. His trip to 4-H Congress was provided by The Goodyear Tire & Rubber Company. As state winner in this program, Hancock also received a $50 U.S. Savings Bond from Goodyear.

He has planned and conducted workshops on bike safety, maintenance and safe cornering and rebuilt three bicycles. Because of his experiences, Hancock is planning to open a part-time bicycle repair and custom building shop.

A high school junior, he served as president and photographer of his local 4-H club last year.

APS PTA - Meets Jan. 16

Pictured above are Miss Evelyn Fanning, Special Education teacher, and Dr. Thomas Wilson, psychologist and consultant for Special Education, discussing the characteristics of special education students. This topic will be covered at the Appomattox Primary School PTA on Thursday night, Jan. 16, 1975, at 8 p.m. in the multi-purpose room. Miss Fanning will be starting a slide presentation.

Business meeting will precede the program. Also, an executive committee meeting will be held in the library at 7:30 p.m.

"Busy 4-H Group."

Convert's newest 4-H group is the "Convert Kitchen Workshop." This workshop group consists of Carolyn Sugar, Teresa Roberts, and Amy Roberts, all Junior 4-H members. Sylvia Carson, a Senior 4-H member is Junior Leader for the group. Mrs. R. W. Carson, adult leader and Mrs. Janet Clements, Extension Agent assist the group.

The group has met four times since November 6, 1974. Twenty-seven paper weights were made for nursing home patients during the first meeting. These favors were taken December 9, 1974 to the Sprout Spring Home for the Aged. Convert Brownie Troop was invited to go in and help entertain the patients. Two of the workshop girls, Amy Roberts and Teresa Roberts, did a dance as part of the planned activities for the patients. This was a very rewarding and enjoyable experience for the people involved. We hope to visit with these patients again soon.

A trip to Pine View Nursing Home is planned in January. We hope to carry each patient them a favor.

On December 2, 1974, the group prepared cookies for the Convert Rescue Squad's December meeting. During the workshop emphasis was placed on Correct Cooking procedures, nutrition and health.

December 9, 1974, the group had the fun of preparing surprise refreshments for the Rescue Squad. They met at 5:30 and went to the squad building to carry the treat, make coffee and set up the refreshments.

The group furnished favors made in a workshop for all shut-in people (ladies) when the Sherwill 4-H Club members went caroling in the Convert Area.

Sylvia Carson,
Junior Leader

No Deficiency Payment Needed For 1974-Crop Wheat, Barley

Secretary of Agriculture Earl L. Butz January 7 announced that there will be no deficiency payment made for 1974-crop wheat and barley. As provided by the Agriculture and Consumer Protection Act of 1973, deficiency payments shall be made to producers when the national weighted average prices received by farmers for the first five months of the marketing year for wheat and barley are below the target prices established by the Act.

But November for wheat and barley is less than the established "target" prices for these crops.

The national weighted average prices received by producers for the first five months of the 1974 marketing year was $4.31 per bushel for wheat and $2.46 per bushel for barley. Since this is in excess of the target prices of $2.05 for wheat and $1.53 for barley, there will be no deficiency payments.

Although the deficiency payment determination for barley is made after the first five months of the marketing year, any barley which might be sold subsequent years will be insured until after the determination is made for corn and wheat.

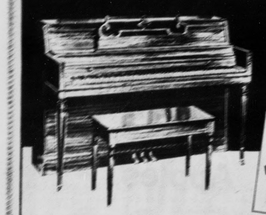
WURLITZER SALE
CONSOLE PIANOS



FULL SCALE 40" ALL WITH WORLD FAMOUS WURLITZER TONE

Now You Can Give Your Child the Benefits of Music for Less Than You've Ever Imagined

The pleasure your child can have making music and sharing it with others is reason enough for piano lessons. But there's more to music than meets the ear. A child at the piano develops independence and self-confidence. He learns discipline, concentration, poise and pride of accomplishment . . . qualities which can lead to success in many other fields as well as music. In tone and durability, this Wurlitzer piano offers a quality far exceeding what you would expect at this price . . . a truly great investment for the family that knows and appreciates excellence. Think about it now. Then ask yourself if you can afford to deprive your child of the benefits that learning to play the piano offers.
